Cancellation, Withdrawal and Refund Policy

Cancellation

1) You have the right to cancel your course of instruction, without any penalty or obligations, through attendance at the first class session or the seventh calendar day after enrollment, whichever is later.
2) Cancellation is effective when the student provides a notice of cancellation at the address of attendance stated on his or her enrollment agreement.
3) The notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with proper postage.
4) The notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
5) If the Enrollment Agreement is cancelled the school will refund the student any money he/she paid, less a registration fee specified below in the Tuition and Fees chart within 30 days after the notice of cancellation is received. If a student withdraws after the cancellation period, a refund will be made in accordance with the refund policy stated below.

Withdrawal

You may withdraw from the school at any time after the cancellation period (described above) and refunds are determined in accordance with the Refund Policy stated below.

For the purpose of determining a refund under this section, a student shall be deemed to have withdrawn from a course of instruction when any of the following occurs:

1) The student notifies the institution in writing of the student's withdrawal or as of the date of the student's last physical appearance in class, whichever is later. The failure of a student to immediately notify the school Director in writing of the student's intent to withdraw may delay a refund of tuition to the student pursuant to section 5002(3) of the Education Law.
2) The institution terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the institution; absences in excess of maximum set forth by the institution; and/or failure to meet financial obligations to the School.
3) The student has failed to attend class for 4 class meetings without prior approval. The official termination date of enrollment shall be the student's last day in class.
4) Students who withdraw due to an emergency, such as personal or family illness or national service, maybe re-enrolled into another Byte Academy, LLC course following approval by the Director.
